Turnaround starts when your booking is confirmed, your 50% deposit is paid, and your text, images, and project details are ready. Waiting for feedback pauses the schedule.

1. Flyer — $20

- 2 sizes: US letter, 8.5 × 11 inches, and Instagram square, 1080 × 1080 pixels.
- Letter PDF for home or office printing, plus a square PNG.
- 1 round of edits.

Turnaround: 48 hours, with timely feedback.

Extras: Another edit round is $5. Another size is $5. A different event, offer, or design is another $20 flyer. Copywriting and custom illustration are quoted separately.

- Preparation for your chosen commercial printer.
- Bleed, crop marks, and color settings matched to its requirements.
- Final print PDF checked against the supplied specifications.

2. Continuous Flyers

Keep your calendar moving with a monthly design allowance.

4 flyers per month — $76

- 4 distinct flyer designs.
- Letter PDF and Instagram square PNG for each.

- 1 round of edits per flyer.
- Save $4 versus 4 single flyers.

Turnaround: 48 hours per flyer on an agreed monthly schedule.

Extras: Additional flyers are $20 each. Standard print, rush, resize, and extra-edit charges apply.

8 flyers per month — $144

- 8 distinct flyer designs.
- Letter PDF and Instagram square PNG for each.
- 1 round of edits per flyer.
- Save $16 versus 8 single flyers.

Turnaround: 48 hours per flyer on an agreed monthly schedule.

Extras: Additional flyers are $20 each. Standard print, rush, resize, and extra-edit charges apply.

Monthly terms: Your month runs from your agreed start date to the day before the next monthly start date. Unused flyers expire at the end of that period. They do not become extra flyers next month, credits, or refunds. Book delivery slots before the month ends; a full batch needs an agreed schedule.

Cancel by email before your next monthly start date to stop the next month's plan. There is no cancellation fee or minimum term. Cancellation leaves the current month's agreed work and payment due. If Mark cannot deliver a booked flyer, you choose a replacement date or a credit for that flyer.

Pricing basis for Mark's review

These proposed prices use the $20 flyer as an introductory entry point and increase with the work involved. For local context, Detroit designer JBKreative lists flyers at $50–$200 and basic logos at $150–$500. Keep the $20 offer limited to the scope above and track the time it takes. [Local pricing reference] (https://www.thejbkreative.com/)

How it works

1. **Agree the job.** Confirm the materials, price, and delivery date. Pay a 50% deposit to begin.

2. **Review the work.** Packages include 2 rounds of edits unless stated otherwise. Single flyers and monthly-plan flyers include 1 round each. A round means 1 collected list of changes within the agreed direction.

3. **Get your files.** The balance is due on delivery. Files arrive as PDF, PNG, and SVG where appropriate. Logos include all 3 formats; writing includes editable text, templates include Canva links, and websites include access and handover instructions.

Monthly plans use the same split: 50% at the start of the month and the balance at the final scheduled delivery or month-end. Extras are priced and approved before work begins.

Prices are introductory and reviewed every 6 months.
